DB2000NY 2000kg pallet truck

Our DB range of pallet trucks offer's a durable and low maintenance product with a proven track record at an economic price.

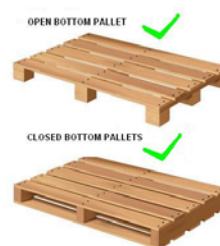

Many features such as single fork rollers, Nylon wheels and dual hand and foot release operation controls are included as standard.

The frames are made from a heavy grade steel construction and finished in an epoxy powder coated paint that offers greater Anti-corrosion resistance.

The trucks are TUV/CE tested to comply with the 98/37/EC Machinery Directive.

Our trucks are available in a range of sizes and will fit most pallet types and sizes available on the market.

We carry a full range of spare parts from stock including wheels and bearings.
