

# ACBF25-540X900 Hand Pallet Truck

Width across the forks: 540x900mm

Fork width: 160mm

Gap between the forks: 220mm

Capacity: 2500kg

Lift height: 85mm - 200mm

Total truck height: 1230mm

This hand pallet truck has a 2500kg capacity and across fork dimensions of 540x900mm.

It is simple and reliable and features a stable chassis design with reinforced (3mm thickness) forks and an intergrated pump.

It comes with Polyutherane front wheels 80x70mm and 180x50mm Polyutherane rear wheels. These are strong, non-marking and excellent with delicate flooring.
