AC25 1.5T Low Profile Pallet Truck

The AClow51 is a low profile pallet truck with a 51mm lowered height.

A durable and low maintenance product with a proven track record at an economic price.

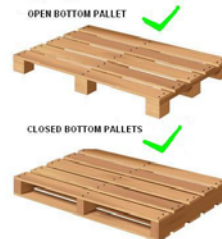

This is the extra wide model in our low profile range with fork dimensions of 838 mm over the forks and 1220 mm fork length.

The frames are made from a heavy grade steel construction and finished in an epoxy powder coated paint that offers greater Anti-corrosion resistance.

The trucks are TUV/CE tested to comply with the 98/37/EC Machinery Directive.

Other options are available please see models BFL10 and BFL15

We carry a full range of spare parts from stock including wheels and bearings.
