

# ACSW20S Stainless Steel Weigh Scale Pallet Truck

A stainless steel weighing scale pallet truck allows you to weigh your load on the spot for maximum efficiency. The frame uses AISI304 stainless Steel construction and all wheels are nylon. Ideal for food and many chemical industry applications. 2000kg capacity and for accuracy, 4 x 350Ω sensors. The IP5X rated display head unit has a built in main rechargeable battery (6V4Ah) powering the 7 button weigh scale indicator with LED display and 2 x RS232 ports. Weigh functions include a tare function, counting function, animal scale function, weight accumulation function and percentage weighing.

Capacity	2000kg
Graduation / Steps	0.5kg
Fork width	164mm
Width across both forks	542mm
Fork Length	1150mm
Minimum fork height	85mm
Maximum fork height	195mm
Total length	1550mm
Total height	1200mm
Load wheel dimensions	80x70mm
Steer wheel dimensions	180x50mm
